

Yo-Yo Christmas Tree

For this project you will need: Scrap Christmas Fabric
Pipe Cleaner
Cork (3/4" dia x 1/2" long)
Star Button

Making the Yo-Yo's - Make six yo-yo's cutting your fabric into the following circle sizes: 4-1/2", 4", 3-1/2", 3", 2-1/2" and 2" (this will make a 2", 1-3/4", 1-1/2", 1-1/4", 1" and 3/4" yo-yo respectively).

Connecting the Yo-Yo's - Take a pipe cleaner and string the yo-yo as shown in Figure 1. Attach a star button to the top. Cut off the excess pipe cleaner and stick the bottom into a cork.

Finishing Touch - You can decorate your tree with beads, or any small trinkets. Strung beads make a great garland.

Your Yo-Yo Tree is ready to be enjoyed!
